Paradise on the Edge - is a unique, beachfront ecotourism destination near Port Antonio, Jamaica which was voted the best environment of any small Jamaican resort by the London Observer in 2003.

The Resort consists of African style huts and tree houses within a jungle landscape perched upon cliffs overlooking Boston Bay and the Caribbean. This is your magical mystery tour of tropical splendor.

You can get no farther away from your everyday life than at Great Huts on Boston Bay. Experience the complete abandon of living out your fantasies here in a tiny African village of surpassing beauty..."
